

Dear colleagues,

This is the fourth bulletin of the Members' Policy Forum. If you are new to the MPF or would like to share with colleagues, you can find more information [here](#).

- **How and why might UK foundations engage with EU-based initiatives after Brexit?**
26 March, 2-4pm, Calouste Gulbenkian Foundation UK branch (central London)
There are still limited spaces available at this event, which promises to be a fascinating discussion with a panel of experts: Carol Mack, CEO of ACF; Tom Leftwich, Head of Engagement and Strategy, Office for Civil Society (DCMS); Stuart Pritchard, EU and Public Affairs Manager, Wellcome Trust; Sara Llewelin, CEO of the Barrow Cadbury Trust; and Max von Abendroth, Executive Director of DAFNE (Donors and Foundations Networks in Europe). [Book your place here](#).
- **Five ways civil society organisations can prepare for EU exit**
The government has shared a checklist to help civil society organisations prepare for leaving the EU. It includes information about employing EU nationals, receiving EU funding, and sharing personal data. [Find out more here](#). If you have any questions or feedback, please do let us know, and we can raise any issues as we continue to engage with the Department for Exiting the EU and the Office for Civil Society.
- **Consultation on Scottish charity law**
We are continuing to work with Scottish Grant Makers to develop our response to the consultation on Scottish charity law. The deadline is 1 April, and [more information can be found here](#). Please get in touch with any issues you'd like us to raise or to discuss the consultation further.

Finally, thank you to everyone who filled in our short survey about priorities and topics for the MPF. We are developing our plans for the next few months based on your feedback, including an event on engaging with select committees. We look forward to sharing further details with you in due course.

As ever, we'd be delighted to hear your ideas and feedback.

Best wishes,
ACF Policy Team
